

EB-L400U

DATASHEET / BROCHURE

Affordable entry-level 4,500-lumen laser projector with sharp WUXGA resolution, ideal for replacing existing lamp-based units.

The EB-L400U is an entry-level laser projector and the ideal replacement for existing lamp-based models in meeting rooms and educational establishments. It offers 4,500-lumen brightness, detailed WUXGA resolution, and a range of useful connectivity options.

Affordable laser performance

The EB-L400U offers impressive 4,500-lumen brightness and WUXGA Full HD resolution at an affordable price, meaning you can upgrade to laser performance and reliability without paying a premium. Pin-sharp image quality and equally high White and Colour Light Output give your presentations impact, even in brightly-lit rooms.

Reliable and durable

The EB-L400U is based around Epson's proven laser technology, which offers fit and forget reliability to keep maintenance to a minimum. The projector is covered by a five-year, 12,000-hour guarantee.

Easy, flexible installation

A smaller, lighter casing than products of similar brightness¹ makes it easy to replace existing units with the EB-L400U, while laser technology means these projectors can be mounted at and project from any angle, making them ideal for any scenario.

Stylish new design

A fresh, new casing design means that the EB-L400U will look completely at home in even the most style-conscious of new developments.

KEY FEATURES

- **4,500-lumen brightness**
Crisp images and bright colours, even in well-lit rooms
- **WUXGA resolution**
Sharp Full HD picture for excellent readability
- **Easy, flexible installation**
Smaller, lighter casing make installation easy
- **Fit and forget reliability**
Durable Epson technology supported by a five-year, 12,000-hour warranty
- **Flexible connectivity options**
Including two HDMI connections, USB and LAN for easy integration
