

IMEO series

Professional 2.1 Soundbar

The IMEO1 Soundbar features a slim and elegant design and includes all required functions for expansion of any audiovisual system with an impressive sound, while having a minimal hassle for installation. It's perfectly suited for installations such as classrooms, presentation rooms or meeting rooms where it can be used and installed in combination with screens, smartboards or projectors.

The acoustics feature two 1.5" high frequency drivers with an RMS rating of 15 Watt and a low frequency section composed of two 2.5" low frequency drivers with an RMS rating of 30 Watt, resulting in an overall 60 Watt RMS rating. The Class-D amplifier with integrated DSP processing and transmission line configuration for the low-frequency drivers offers a crystal

clear sound reproduction with stunning low-frequency response. Selectable DSP presets offer optimization for applications such as presentations, music playback or video's.

Various input possibilities such as an unbalanced line input, HDMI (ARC) input or SPDIF (optical and coaxial) allow compatibility with a variation of input sources, while Bluetooth allows wireless connections with portable devices.

An included IR remote control allows input selection, volume control and EQ preset selection while the unique and clever wall mounting bracket allows convenient mounting to walls on any kind of surface or location with an optimal guiding and coverage for the cables.

- ▶ 2.1 Soundbar
- ▶ Integrated subwoofer
- ▶ Preset equalizer modes
- ▶ Bluetooth wireless technology for streaming music
- ▶ HDMI (ARC with CEC) input
- ▶ Optical & coaxial inputs (SPDIF)
- ▶ Clever bracket system included
- ▶ Included remote control

Included mounting bracket

The included clever wall mounting bracket offers mounting possibilities to any kind of surface or location. The unique design allows two-directional installation with possibilities for installation on top or bottom of a screen or projection surface while having optimal directional placement of the speakers. The integrated guiding allows cable entry and fixation for a clean and neat installation.
